

Effective April, 2017 Chemos has launched own web shop for sales of R&D chemicals.

April 2017, **Regenstauf**

Chemos has launched in April 2017 a new web shop for sales of R&D chemicals.

The new shop was established as most of our customers in R&D would like to have access to the unique products we are offering in an electronic way, explains René Gräwe. The shop starts with a portfolio of ~ 40.000 chemicals and will be expanded in future.
